Location of Board Meetings

Place: The lobby of the Rita Ranch Self Storage Facility

Time: The 3rd Monday of each month at 6 pm

Rita Ranch Self Storage has hosted our board meetings as a community service for a number of years. We thank them for all the hospitality they have provided to us over that time.

Weed Control / Tree Trimming

Please be a good neighbor. Neatly trimmed trees and shrubs and a weed-free front yard provide a pleasing appearance.

Disposal of Paint and Used Painting Materials

Recently, the Associations' contractor that empties the community waste disposal cans has found paint containers and used painting materials in those community waste cans. Paint cans that have wet paint in them create a disposal problem for our contractor.

As most people are aware, paint and painting equipment and materials must be dried before they can be disposed of in the green or blue waste barrels. Residents and Home Owners are encouraged to contact the Pima County / City of Tucson Hazardous Waste Disposal Facility for drop-off locations, hours of operation and types of materials accepted. Report Abandoned Shopping Carts to The City of Tucson

If you see a shopping cart off store property, abandoned along the street or sitting in a wash, please call the City of Tucson's Environmental Services Department to have it removed.

Customer Service (520) 791-3171.
